

The Northside Boys is a group that was started on February 8th, 2020 by a small group of guys who are car lovers. In less than a month, the group has grown to almost 500 members who want to connect with others who have the same interests. The only criteria for joining the group is that you are from the Northside and are interested in putting some life back in the Northside area. Any activities, such as a car show, cruise, etc will be open to everyone not just the members. We are looking forward to sunny, fun filled days ahead.

The Northside Boys are hoping to put on a car show in Sydney Mines with the support of the Sydney Mines Fire Department.

On Friday evening, August 14th, 2020, the cars, trucks and bikes will gather at the North Sydney Mall then be escorted by the police/fire department through North Sydney, down through Sydney Mines and to the Sydney Mines Fire Station for a meet and greet, hot dogs, pop and pre-registration for the vehicles attending the car show. Later in the evening, we can shoot the drag.

On Saturday, August 15th, 2020, the car show will be held on Main Street in Sydney Mines from 10:00am to 4:00pm. We will also have music and giveaways throughout the day in the Fire Station parking lot. Later that evening we will have a Rock & Roll dance with award presentations at the Sydney Mines Fire Hall.

Everyone is welcome, so shine up your wheels and plan to join us for a fun filled time!
